

Take a Vacation From Your Loan Payment Summer Skip Request

Account Number: _____

Loan Suffix(es): _____

Member Name: _____

I request to skip the loan payment due in July or August (circle one). I understand that I will be required to make the skipped loan payment prior to the final loan payoff and that finance charges will continue to accrue at the contract rate. This payment deferral will result in an extension of the maturity date of the loan. I understand a \$35 fee will be deducted from my share draft or share account for each skipped loan payment.

Any loan with a current payment status and open at least four months is eligible for this extension. Credit cards and home equity lines of credit are not eligible for this offer.
